

JOIN A TEAM!

This year's *FIRST*[®] LEGO[®] League challenge is SUPERPOWEREDSM. Teams will learn about how energy is generated, stored, distributed, and consumed. As there are more demands for energy, the children need to rethink how energy is generated and used. We have the power to build a path forward and invent the future of energy.

And it starts here, with you.

Come join us for the Season Kickoff Event!
